NEW JERSEY STATE BOARD
OF MEDICAL EXAMINERS

STATE OF NEW JERSEY
DEPARTMENT OF LAW & PUBLIC SAFETY
DIVISION OF CONSUMER AFFAIRS
NEW JERSEY STATE BOARD OF
MEDICAL EXAMINERS
DOCKET NO.

In the Matter of the Suspension)
of Revocation of the License of) ORDER OF REINSTATEMENT
PHILIP M. POTACCO, D.C.)
To Practice Chiropractic in the)
State of New Jersey)

This matter was brought before the New Jersey State Board of Medical Examiners upon respondent's appearance before the Executive Committee, pursuant to the terms of an Order entered January 8, 1985 by which his license to practice chiropractic was suspended for a period of five (5) years, the first two years of which were to be served as an active suspension, as a result of his conviction in U.S. District Court of one count of transporting stolen securities in interstate commerce. Respondent appeared without counsel on February 25, 1987 to report to the Board regarding his activities during the suspension and his plans for the future. The Board also reviewed the report of a psychiatric evaluation, conducted pursuant to the terms of the Board's Order. Respondent reported on his intention to resume practice in a group setting, with the colleague who had taken over his practice

during the period of suspension. Since respondent's plans seem consistent with the recommendation of the evaluating psychiatrist, the Board is persuaded that respondent should be permitted to resume practice at this time.

ACCORDINGLY, it is on this 17th day of April, 1987,

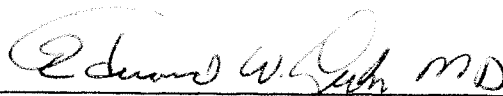

O R D E R E D:

1. Respondent's license to practice chiropractic shall be and hereby is reinstated subject to the following limitations:

- a. He shall practice solely in the context of a group practice;
- b. He shall provide notice to the Board of the name of the person or persons with whom he is in practice, giving prior notice to the Board of any change.
